Kimberly,

They should have a zoning permit for the lots on Carp and Gar. They obtained a zoning permit for a few lots when they bought the MHP. I can go through my files and find it if you need a copy. But he has one in his files. It was for five or six of those lots in that MHP. But it is okay to move forward with these 5 lots.

Thanks,
Snow Bowden

I am working on Carp and Gar. I don't have the zoning permit for these. I just have the one for 4404 NC55
