Permit Package: Felt paper, 4 anchors, hurricane clips and plywood clips. If we encounter large rocks, concrete, or tree roots under the surface there may be an additional charge. If there are any concerns about utilities or septic systems being in the vicinity it is the customer's responsibility to call No Cuts 811 at least 3 business days prior to construction beginning. CYB assumes no responsibility for anchors damaging utilities and septic systems. Anchor straps may become loose over time. This is normal and is not a warranty item. This package does not include obtaining the permit or the price of the permit. <b>REQUIRED IF OBTAINING A BUILDING PERMIT</b>	1	350.00	350.00T
Thank you for contacting Carolina Yard Barns to quote a high quality shed to be built on your property. As a reminder painting, staining and caulking are not included in the price. There will be an additional fee for carry in's over 130ft, price will vary depending on distance and size of shed. There are also additional fees if materials need to be carried up or downstairs, over retaining walls, under arbors and steep inclines. Price will vary depending on size of building. Builder will inform you of any additional charges before he begins construction. CYB is not responsible for any necessary building permits, zoning permits, HOA compliance or setback requirements. Please check with your local zoning officials if a building permit is required.		0.00	0.00T
