Date

****This application expires 6 months from the initial date if no permits have been issued****

Asbestos requirements are applicable if the occupancy use is or changes to Commercial (not residential), or if multiple structures are being demolished & removed at one time.

An Asbestos Inspection Report prepared by an N.C. Accredited Asbestos Inspector must be provided with application to demolish any building including residences demolished for commercial or industrial expansion or structures. It is the contractor's responsibility to properly notify the Department of Health and Human Services Division of Public Health – Health Hazards Control Unit at least ten (10) working days before the demolition is to begin whether or not the building is known to contain asbestos.

I hereby certify that the information on this application is correct and that all work in connection with the above referenced job will be performed under my supervision and that such work complies with the requirements of the NC State Building Codes and applicable Harnett County Ordinances. Call for inspection at proper stage of work.
