Kimberly,

The size of the lot will not render the lot undevelopable in this case so long as the DWMFH can meet all setback requirements (including 20' street side setback requirements), use regulations, and fit a septic system on the lot that meets Environmental Health Dept. standards.

Thanks for your patience.

Hi Kimberly,

Landon and I are waiting on Oliver to contact us about it. We left him a voicemail the on the 13th.
Let me shoot him an e-mail. Hopefully he isn't out on vacation.

Your Maan,
