Good Afternoon,

I left you a message on this also as I am the deck installer for this homeowner thru Lowe's Home Improvement. He is upset in saying that we didn't submit the permit or that your office hasn't received it. Please see below and attached and let us know if there is anything that may be needed. I appreciate your help in this matter as oftentimes emails can go unnoticed, to spam or never received.

We appreciate your help!!

Thanks,

Good Afternoon!

Please see attached as I would like to submit this information in order to obtain a zoning permit for this deck so that I can send it over to Harnett County. Please let me know if anything else may be needed.

Thanks in advance!
