**DESCRIPTION**  
COVER

**CVR**

**PROJECT NOTES:**

INITIAL MEASUREMENTS TO DEFINE PROJECT SCOPE. MR. AND MRS. TAYLOR HAVE CONTACTED THE END VISION TEAM TO HELP ASSIST, PRIMARILY WITH THE EXPANSION AND OR RELOCATION OF LIVING ROOM AND REAR ENTERTAINMENT SPACES. THE FAMILY'S FIRST FLOOR IS CURRENTLY 444.25 FT<sup>2</sup> AND DOES NOT OFFER ENOUGH COMFORTABLE MOVEMENT BETWEEN EXISTING LIVING, DINING AND KITCHEN. THE FAMILY WOULD LIKE TO OPEN UP THE EXISTING SOUTH WALL AT THE LOCATION OF THE FIREPLACE TO CREATE A CASED OPENING LEADING TO A NEW 18X16 (288 SQ FT) LIVING ROOM. THE FAMILY WOULD LIKE TO GENTLY REMOVE AND REUSE EXISTING WINDOWS AND DOORS FOR THE EXPANDED SPACE WHILE RELOCATING THE EXISTING SLIDING GLASS DOOR. THE REAR ENTERTAINING PATIO CURRENTLY 10X12 WOULD BE EXPANDED TO AN ADDITIONAL 10X12 FOR A TOTAL 10X24 WITH SHED ROOF (240 SQ FT.) AS A POTENTIAL THIRD PROJECT THE FAMILY WOULD LIKE TO EXPAND THIER EXISTING KITCHEN FOOTPRINT, INCREASE CABINETRY AND REMOVE PENINSULA/BAR. ALL SPACES COMBINED EQUATE TO 972.25 SQ FT.
