RE: Existing Tank Application #BRES2110-0024 and BRES2110-0026

Mr. Hogg:

An attempt was made to evaluate your property for the purpose of issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

1. Uncover Outlet lid on septic tank and break seal. (\$25.00 fee incurred).

2. Have system pumped out

3. Replace Sanitary T

4. **Other – Locate and expose tank and break lids free for tank inspection. Aerial mapping shows MH has not been at address for 15+ years. Verify prior to approval.**

Your application will be put on hold until the selected items above have been addressed. When completed, **call (910) 893-7547 to confirm** that the items mentioned have been corrected we will then reschedule your property for evaluation.
