Hi Stacy-

The Appointment of Lien Agent applies to *any improvement* to the property and does not expire, per se. A good rule of thumb regarding an appointment is "If it's a new project, it's a new appointment." Your permitting office may offer guidance as well as it relates to permits that may have already been issued/expired, etc.

Hope this helps,  
-Robb

We have a lien agent through liens NC that was purchased on March 2021. However, there was no work done due to covid. Can that same lien be applied now and extended if necessary?
