Ok if you don't mind letting me know please. I'm leaving today @ 3:30 and won't be back until Monday so I just want to make sure it's taken care of before I leave.

I need to go out and look at it to verify it is where they said it was going to be. I will ride out there this morning. It should be fine to go ahead and schedule a final inspection for tomorrow if the inspector can get out there. Thanks for the follow-up.

Thanks,
Snow Bowden
