**Re: Status of Improvement Permit Application– BRES2203-0025**

Ms. Weaver,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible. (*\$25.00 fee incurred*)
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. Other- Incorrect Site Plan - Site plan does not match flagged home onsite. Site plan reflects home in low-lying area. Home flagged up at road. Proposed septic area marked onsite. Shift DWMH down hill to meet septic setbacks, revise paperwork to include revised house location, driveway, and parking area. Reconfirm when ready.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7525 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
