Ms. Donna Johnson,  
Correction made I forgot to add information (M-F 6:30 - 5:30 pm) I didn't add that I might, at times, work a little longer if parents are running late. Sorry

Thank you,

Janet Otani

Good After noon Ms. Johnson,

The form is pretty confusing since I will only be using part of the home for the children during the day. I hope I was able to complete the form correctly, here is some more information to be sure.

- \* I live in this home and would like to be permitted to watch children in my home after I get my license through the Harnett County DCDEE program. As of now I have no children here, just my husband and myself, But I do hope to have
- \*5 children during the day ranging from 0 months to 5 years old
- \* 3 school aged children before/after school and holidays aged up to 12 years old.
- \*My home is a 3-bedroom, 1 bonus room with office, two full bath upstairs which will not be in use by the children. Downstairs consists of a kitchen, family room, sitting room, dining room, and entry way. There is a laundry room and a 2-car garage that will also be off limits.
- \* Home is 2100 sq. ft.
- \* Back yard will be used for the children to play, and it is fully fenced in by a privacy fence.

Thank you,

Janet Otani

Good evening Ms. Johnson

I was going to have 2 children until I was able to get my license, it it fell through. So now I am trying to make sure things are ready for that license. I hope to have at least 8 children , anywhere from age 6weeks to 12 years old. I understand that in Lee county we are only allowed 5 under school age and that's fine. I took my pre-license class already but I'm not sure which zoning form needs to be done for Harnett county , since this is where I live. Any help that you could give me would be greatly appreciated.
