Re: Existing Tank Application: # BRES2204-0050

Mr. Martinez:

An attempt was made to evaluate your property for the purpose of issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Uncover Outlet lid on septic tank and break seal. (\$25.00 fee incurred).
- 2. Have system pumped out
- 3. Replace Sanitary T

4. Other – Land use application filed for existing tank only. Application reflects expansion application. Existing system marked onsite. Site considerations require soil scientist proposal prior to proceeding. Submit soil scientist proposal, file for expansion application, and reconfirm when ready.

Your application will be put on hold until the selected items above have been addressed. When completed, **please call Central Permitting at 910-893-7525 to confirm** that the items mentioned have been corrected. We will then reschedule your property for evaluation. If you have any questions or concerns, please call 910-893-7547.
