

I, Max E. Ashworth, Jr., Registered Land Surveyor No. L-3099 certify to one or more of the following as indicated thus: (X)

(X) a. That the survey creates a subdivision of land within the area of a county or municipality that has an ordinance that requires a plat to be recorded in such portion of a county or municipality that is unregulated as to an ordinance that regulates parcels of land;

() b. That the survey is of an existing parcel or parcels of land and does not create a new street or change an existing street;

() c. Any one of the following:
 1. That the survey is of an existing building or other structure, and does not create a new street or change an existing street;
 2. That the survey is of an existing building or other structure, and does not create a new street or change an existing street;
 3. That the survey is of an existing building or other structure, and does not create a new street or change an existing street;

() d. That the survey is of another category, such as the recombination of existing parcels, a court-ordered survey, or other exception to the definition of subdivision;

() e. That the information available to the surveyor is such that the surveyor is unable to make a determination to the best of the surveyor's professional ability as to provisions contained in (a) through (d) above.
