(hereinafter collectively referred to as "Waste Removal Service(s)" or "Service(s)") Except as specifically set forth herein, or as otherwise communicated by Budget Dumpster to Customer, the following terms and conditions, including the Service Documents (as defined herein) shall apply to and govern both commercial and residential services. 1. Acceptance; Contract Formation. This transaction is expressly limited to and made conditional upon Customer's assent to and acceptance of all the terms and conditions contained herein and as set forth in any related service document, including, but not limited to any quotation, proposal, acknowledgment and/or invoice (collectively referred to hereinafter as the "Service Documents"). The terms and conditions stated herein shall apply to and govern all Service Documents, including any agreement, order and/or Service that may result herefrom, and these terms and conditions, along with the Service Documents, constitute the entire agreement between Budget Dumpster and Customer. Any of Customer's terms contained in any request for quotation, purchase order, release, acknowledgement or any other Customer document which are in addition to or different from the terms contained herein are hereby specifically objected to, rejected and excluded, and shall be of no force or effect. 2. Ordering Process. Budget Dumpster intakes and processes all Service(s) orders either via telephone or via our website which is located at www.budgetdumpster.com (the "Website"). Customer acknowledges and agrees that upon Customer's placement of an order for service including the provision of the required Equipment (either via telephone or via the Website), and Budget Dumpster's acceptance of such order, then a binding and enforceable service agreement shall exist between Budget Dumpster and Customer with respect to such Service(s) based upon these terms and conditions, as well any applicable Service Documents. All service orders accepted by Budget Dumpster are accepted with the understanding that each such order is subject to Budget Dumpster's ability to obtain and furnish the required Equipment to Customer. Customer is solely responsible for contacting Company (either via telephone or via the Website) in order to initiate the commencement of the Services, as well as the final pick-up of the Equipment (in accordance with the terms of Section 4 herein). Customer acknowledges that any telephone numbers posted on and/or adhered to the Equipment belong to third-parties and should not be used for the purpose of attempting to contact Company. 3. Budget Dumpster will use commercially reasonable efforts to ensure timely delivery and pick up of Equipment; provided that, due to circumstances beyond our control, including, but not limited to, inclement weather, hazardous roads and/or driving conditions, traffic delays, motor vehicle accidents, delays at landfills and equipment failure, we cannot and do not guarantee delivery times or dates. Budget Dumpster will not be liable to Customer under any circumstances for costs, expenses, losses and/or damages incurred by Customer in any manner relating to such delays. Weight Restrictions and Overload Fees. Customer is solely responsible for complying with the weight restrictions applicable to the Equipment. Customer acknowledges that: (a) each item/unit of Equipment has a designated weight specification and corresponding weight limitation (which varies based on the size and type of the Equipment, as well as other factors); (b) the size and/or volume of the particular item/unit of Equipment is not determinative of the applicable designated weight specification and weight limitation for such item/unit of Equipment; (c) local, municipal, city, county and/or state laws, regulations, rules and ordinances also govern and limit the weight and/or amount of material that can be legally stored in and/or transported in the Equipment; and (d) rain, water, snow, ice permitted by Customer to accumulate in the Equipment can increase (and under certain circumstances) exceed the applicable weight restriction relating to specific Equipment. Customer hereby acknowledges that Budget Dumpster incurs charges and expenses in connection with the transport of loaded Equipment to landfills, and that such charges and expenses are based upon the weight of the Equipment. If Customer fails to comply with applicable weight restrictions, Budget Dumpster may incur any pay for charges, expenses, penalties and/or fines from a landfill or other third-party, whether private or public, including, but not limited to traffic fines and penalties or other consequential damages (collectively the "Overload Expenses"). In the event that Budget Dumpster incurs any Overload Expenses relating to or in connection with Customer's failure to comply with applicable weight restrictions, then, in addition to all other remedies to which Budget Dumpster is entitled and in addition to all other amounts, fees, charges and expenses due from Customer to Budget Dumpster (including Customer's reimbursement of all such Overload Expenses to Budget Dumpster), Customer will pay Budget Dumpster a fee not to exceed the amount of \$200.00 per ton in excess of the applicable weight restriction for the Equipment ("Overload Fee"), as determined within the sole discretion of Budget Dumpster. Customer acknowledges and agrees that all Overload Fees assessed by Budget Dumpster against Customer may be charged to Customer's credit card. 7. Permits. Customer acknowledges that certain locations and/or uses of the Equipment may require a permit, license, certification or other local, municipal, city, county and/or state approval relating to the possession, placement, storage and/or transportation of the Equipment (collectively referred to hereinafter as a "Permit"). Customer represents and warrants to Budget Dumpster that Customer (and not Budget Dumpster) is solely and exclusively responsible for obtaining and maintaining all necessary and required Permits relating to Customer's possession and use of the Equipment. In the event that Customer fails to obtain and/or maintain all necessary and required Permits, Company may pick-up the Equipment without prior notice to Customer and without any liability to Customer. 8.
