Re: Existing Tank Application: # BRES2205-0020

Mr. Rentler:

An attempt was made to evaluate your property for the purpose of issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

1. Uncover Outlet lid on septic tank and break seal. (\$25.00 fee incurred).

2. Have system pumped out

3. Replace Sanitary T

4. **Other – Only inlet end of tank opened. Flag placed over top of outlet end of septic tank. Uncover tank and break lid free of seal. Reconfirm when ready. Site plan and existing septic operational permit appears approvable for proposed house placement following tank inspection.**

Your application will be put on hold until the selected items above have been addressed. When completed, **please call Central Permitting at 910-893-7525 to confirm** that the items mentioned have been corrected. We will then reschedule your property for evaluation. If you have any questions or concerns, please call 910-893-7547.
