Project No. 022mh93, HUD Label No. NTA2107513, NTA2107514

Dear Mr. Wheeler,

Thank you for using Piedmont Geotechnical. As requested, the site was visited on August 30, 2022 to observe the home.

Piedmont Geotechnical has observed the home and it is our finding that the permanent foundation and anchoring system (including footings, piers, anchors, bracing systems and connectors) for the home at 484 D. R. Harvell Ln., Lillington, NC 27546 meets HUD standards as set forth in FHA's Permanent Foundations Guide for Manufactured Housing (HUD-7584, September, 1996). Specifically, the permanent foundation and anchoring system is structurally sound as built. No evidence was observed to indicate that the home has been moved from its original location. If you should have any questions pertaining to this report, please call.

Sincerely,

September 2, 2022

D. Allen Hughes, P.E., President
Piedmont Geotechnical, Inc., PA
