On May 9, 2022, the Harnett County Board of Adjustment approved a residential special use permit for a single section manufactured home in the RA-30 zoning district located on the property identified as PIN # 0529-52-0413.000. The Board granted the special use permit without any additional conditions added to the regulatory development requirements.

In order to validate this approval, please continue to work with the Harnett County Planning Department to obtain all required development permits.

Please be advised that the special use permit is valid for a period of two years from the date of approval. If no action is taken before May 9, 2024, the special use permit will become invalid.

Please contact the Harnett County Planning Department at (910) 893-7525 option 4 with any questions.
