On December 14, 2022 I visited the site of the house being constructed @ 181 Rad Street, Lillington, NC 27546. The purpose of the visit was to inspect framing of the house. The inspection included floor, roof, walls, 2x6 arched walls, headers over windows and doors as well as framing of the outside porches (Front and Back Porches)

I hereby certify that the :

1. As-Build framing of house including headers over all windows and doors are structurally stable and meet the NCBC, Residential, 2018 load bearing requirements .
2. As-Build front and back porches including headers, posts and roof are structurally stable and meet the NCBC, Residential, 2018 load bearing requirements .

My seal is affixed below for certification.
