Special Inspection FINAL SUMMARY REPORT

November 7, 2022

ATTN: City-County Inspections Department

RE:

Project Name:

Bennett Residence

SFA Project #:

RBC22-212

Project Address:

4105 Red Hill Church Rd, Coats, NC 27521

Dear City-County Inspections Department:

This letter is in regards to the voluntary foundation underpinning and floor upgrade consisting of the installation of (9) FSI 288 push pier system & (11) FSI Smartjacks at the above-mentioned address. SFA Design Group has reviewed all available field data and information provided by Regional Foundation Solutions. Based on this information, the installation of the push piers and the Smartjacks is approved per the intent of our design and in accordance with all applicable Harnett County and North Carolina building codes.

Sincerely,

Mohamed El Katrani SFA Design Group, LLC

Inspection Department disclaimer:

Licensed Architect or Engineer

Upon the receipt of a signed written document as required by G.S. 160D-11-6, Code Enforcement shall be discharged and released from any liabilities, duties and responsibilities imposed by this article or in common law from any claim arising out of or attributed to the component or element in the construction of the building for which the signed written document was submitted. Be aware that this inspection will be noted in all inspection records including the Certificate of Occupancy or Certificate of Compliance. This inspection does not address any local ordinances or zoning requirements.
