Re: Existing Tank Application: # BRES2206-0069

Mr. & Mrs. Stiltner:

An attempt was made to evaluate your property for the purpose of issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

____ 1. Uncover Outlet lid on septic tank and break seal. (\$25.00 fee incurred).

____ 2. Have system pumped out

____ 3. Replace Sanitary T

X 4. Other – Disapproved – Septic Encroachment – Proposed pool encroaches on existing septic field location and available septic repair area location. Lot lacks available space to relocate septic field and still have available repair field area. Private soil scientist consultation and proposal required of septic area and repair area for pool placement.

Your application will be put on hold until the selected items above have been addressed. When completed, **please call Central Permitting at 910-893-7525 to confirm** that the items mentioned have been corrected. We will then reschedule your property for evaluation. If you have any questions or concerns, please call 910-893-7547.
