Oliver, I forgot to take her money a couple of days ago, but I have done it now. Can you please look at her stuff and let me know if she needs to uncover her lid.

Charge her the \$50 ET fee. That's the one where we don't make a site visit, if we can sign off without a site visit we will.

Good afternoon, Oliver. Can you look at the attached site plans and see if she will have to go thru EH? I told her I would ask for her, since it has not been long since she went thru you all.
