Yes, I think Jeanann may have worked w/ Mr Kelly on this, or given him some info. Either way, since this is a replacement and not a new house, we are allowing them to move fwd.

Hope this helps,

EJ Womack with Country Fair Homes says that Reggie Kelly came and spoke with you today Jay about this easement. I originally thought they were supposed to have a 30ft easement, EJ says that it's ok to move forward with permitting this mobile home. Just want to make sure.
