

Notice to Homeowner Declaring Exemption from Article 5 Chapter 90A

Harnett Environmental Health Department has received notification that BRIAN E. DEAN shall be declaring the exemption as Homeowner

under N.C. General Statute 90A-72(b)(2) to install and/or repair an on-site wastewater system. In order to protect the environment, the Environmental Health Department advises if Homeowner does not have prior experience in on-site installation and/or repair that a person certified by the North Carolina On-Site Wastewater Contractors Inspectors Certification Board (NCOWCICB) be hired to do this service. Please be advised that Environmental Health Department reserves the right to be present for any and/or all parts of the installation and/or repair process including excavation and cover-up.

In order to declare the exemption all of the following requirements must be met:

- System must be a single septic tank
System must be gravity fed
System must have gravel trench dispersal media
Person listed as Homeowner must own property
Property must be intended solely for use by Homeowner and members of homeowner's immediate family who reside in the same dwelling
Homeowner shall perform installation and/or repair labor without any monetary exchange or other means of payment for labor to any party other than a person certified by NCOWCICB

By signing below, the Homeowner hereby acknowledges the above statement.
