Purchase Agreement & Terms: Premier Metal Structures reserves the right to correct any balance/pricing errors. Delivery and Installation included in the price. Premier Metal Structures holds the right to repossess any buildings not paid in full upon installation. The customer is responsible for obtaining buildings permits, if required. The customer is also responsible to verify there are no pipelines, gas lines, or water lines on installation site. In addition, there should be no electrical wires less than 15 feet above building site. The installers will charge the customer a labor fee for any additional labor such as cutting posts to level carports, building over objects (ex. , RVs mobile homes, etc.) or for leveling your land. If any additions are made after the building is completed, there will be a return fee, plus the cost of addition. Premier Metal Structures is not responsible for changes in scheduling due to weather, lack of permits, accidents or unexpected extended installation times from previous customers. Regular and Boxed Eave Units longer than 36' will not be covered by warranty, vertical roofs will. Any CASH DEAL that the customer agrees to is to be paid in CASH and CASH only, specifically the balance due upon completion of the building to the manufacturer. By signing this form, the customer agrees with all of the above specifications, and understands, that deposit on building is non-refundable in the event of customer cancellation after 48 hours upon order of building. Current lead times are 2-4 weeks weather permitting, from the purchase date guaranteed or customer may receive full refund of deposit. Customer may also receive a full refund of down payment if permit is denied or cannot be obtained due to permitting issues.

Warranties: 10 year rust through warranty on 14 Gauge Galvanized Steel Tubing, 20 year rust through warranty on 12 Gauge Galvanized Steel Tubing, 20 year paint warranty on Sheeting (cracking, checking or peeling of the paint) & 1 year workmanship warranty from the completion of the building.
