Hi Mrs. Kimberly,

My home renovation includes the following;

- raise ceiling height from 8ft to 9ft in existing main living area of home
- open up or remove wall between living room and dining room
- remove kitchen wall for the new addition to be incorporated into existing space
- the new addition includes: master bedroom/master bathroom & screened in porch
- house will be re-plumbed
- new addition added into existing electrical
- New HVAC System installed including duct work for entire home
- New insulation anyplace the old is removed such as; attic/ceiling, crawlspace and the new addition

All of this information is also included on the floor plans. If you have any questions, please let me know. Thank you for your help and have a good afternoon.
