**Subject:** Permit #BRES2305-0024

Hello ,

Back on May 8, 2023, we applied for a permit to install a deck, but due to cost concerns, we opted to install a 10x14 grade-level concrete patio instead. We have noticed that the permit is still open. Could you please close this case as it has already been resolved?

Permit #BRES2305-0024

Thanks,  
Orlando/Jennifer
