**Subject:** RE: remodel/termite damage

I would do it as a basic building permit. Make a note for the inspector to check it when there.

**Subject:** remodel/termite damage

I have a customer that is doing a renovation because of termite damage. I have attached the scope of work. The GC said that none of the items listed under (A) will be done. I wasn't sure if I should do this as a remodel and charge them the \$700 plus or not.
