Harnett County Fire Marshal's Office was requested to respond to a reported structure fire at the request of Angier Incident Commander Jason Guinn. Upon the arrival of myself & EM1 Mr. Guinn advised that he believes same is a grease fire from the stove, but would like someone else's opinion. Upon a thorough assessment of the fire scene by myself, EM1 & Mr. Guinn, all parties agreed that the fire originated from the top of the stove. There were no dissenting opinions.
