Good Afternoon Donna,

AMAT Homes is a Family Residential Homes with 6 people and 1 help to take care of all their needs. It is an ambulatory home. Everyone takes care of their ADL with the support of the staff. Everyone goes out in the morning and comes back in the afternoon. Program, School, work etc according to their needs. It is just the same as the one you approved for 7616 US 421 S Erwin NC 28339, no different. It is classified as a Family Residential Home.

Good afternoon, Ms. Lola. Theresa, in Planning, spoke to Jay Sikes and he asked us to ask you some questions to see if he can decide what your home would be classified as,

Are you related to any of these people?

What are their ages?

Are they mentally handicapped?

Do they require supervision or medical treatment?

Are these people ambulatory?

How many will you be keeping in home?

Does anyone else live in the home?

How would you classify this residence?

use safety plan  
detailed  
clock plan  
land use

I know, Ms. Lola, you may have told me some of these answers, but I am not sure I remember some of them. 😊
