Dear Mr. Wheeler:

Thank you for using D. Allen Hughes Engineering. As requested, the site was visited on November 13, 2024 to observe the foundation and anchoring system of the home.

D. Allen Hughes Engineering has observed the setup and it is our finding that the permanent foundation and anchoring system (footings, piers, anchors, straps and connectors) for the home at 1611 Patterson Rd., Broadway, NC 27505 meets HUD standards as set forth in FHA's Permanent Foundations Guide for Manufactured Housing (HUD-7584, September, 1996). Specifically, the permanent foundation and anchoring system for the home is structurally sound as built. No evidence was found to indicate that the home has been moved from its original installation site.

If you should have any questions pertaining to this report, please call.

Sincerely,

D. Allen Hughes
