Cameron, NC 28326

Dear Mrs. Cortes,

Seven Lakes Engineering Services, Inc. (SLES) is delighted to provide you with the following letter of certification. SLES has verified that the subject repairs that were made to the cracked top chord member were made in accordance with our previous inspection report. SLES has verified that the cracked top chord was properly reinforced in order to preserve the structural integrity of the roof system. SLES hereby certifies the subject repairs.

If you have any questions or concerns, do not hesitate to call Shawn at our office.

Yours truly,  
SEVEN LAKES ENGINEERING SERVICES, INC
