All is good with septic aspect. Should I come in with paperwork you sent and pay fee? Will I receive permit at same time? Thanks!

AB,

Talked to Mark and all is good. I approved it in the system and you are all set from the EH side.

Oliver Tolksdorf REHS

Hello, are there any updates on this so we can move forward?

Thanks

AB

Hello Oliver, we spoke on the phone not too long ago about a metal building I am putting on my property. See attached for a survey that was done showing where the metal building will be. The septic is directly in front of the house and the tank is on the right hand side.

Mark Osborne was my inspector and was out here 2-3 weeks ago for final septic inspection.

If you need anything else from me let me know

919-745-9924

Thanks!
