**Re: Status of Permit Application-BRES2312-0134**

**To whom it may concern,**

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- ☒ 1. Use pink flags to mark property lines every 50' between irons. (25.00 Fee Incurred)
- ☐ 2. House Box needs to be marked/demonstrated clearly. (25.00 Fee Incurred)
- ☐ 3. Directions not clear to property (\$25.00 fee incurred)
- ☐ 4. Clear Vegetation. Do not disturb the soil.
- ☐ 5. Driveway not shown on site plan
- ☐ 6. Backhoe Pits Required
- ☒ 7. **Other- Current location of the new single wide is sitting in the neighboring septic easement. The single wide must be moved out of the easement. Recommended to go through planning and place new single wide as far as back as possible towards the creek. It may also be possible to flip the single wide vertically 35' off front & 10' off left property line. Contact surveyor for placement assistance. Further clearing of trees and debris on property may be required for septic layout.**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
