Thank you. Zoning permit not required per Town of Coats. We will be happy to provide if Harnett Central Permitting requires one.

Good afternoon,

We spoke this morning regarding this project.

This is a crawlspace encapsulation. No change to footprint.

I have attached the scope of work with repair plan (which is minimal).

Let me know if you need anything else from me, or if you can just sign off here.

Kind regards,

Aundrea Sterling
