Re: Porch Framing Inspection
2800 Baptist Grove Rd
Fuquay-Varina, NC

Dear Sirs:

An inspection has been performed on the framing of the front porch of the modular home at the location described above. Upon inspection, the builder deviated from the permitted plans. The modifications made to the framing are structurally adequate to support the site conditions and loads as specified by the North Carolina Residential Code, 2018 edition.

Sincerely,

Travis M. Person, PE
