Building Inspections  
Harnett County Planning Department  
420 McKinney Pkwy.  
Lillington, NC 27546

Ref: **1695 Crawford Rd.**  
**Coats, NC 27521**

To Whom it May Concern:

I have reviewed the construction of the side carport addition at the property at 1695 Crawford Rd. This evaluation was a Level A evaluation, which limits my scope to visual inspection only as no elevation measurements or soil testing was conducted. I have concluded that to the best of my ability to inspect the existing conditions, the addition is structurally sound and has been built in accordance with the previously supplied drawing.

Please call if you have any questions or additional information is needed.

Sincerely,

**Meridian Engineering, PLLC**
