Mr. Villasenor:

An attempt was made to evaluate your property for the purpose of issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

1. Uncover Outlet lid on septic tank and break seal. (\$25.00 fee incurred).

2. Have system pumped out

3. Replace Sanitary T

4. **Other – Needs septic tank outlet lid (lid towards drain field) uncovered and seal broken to be able to lift lid and evaluate the tanks filter. Needs the new proposed addition marked/demonstrated based on the submitted site plan.**

Your application will be put on hold until the selected items above have been addressed. When completed, **call (910) 893-7547 to confirm** that the items mentioned have been corrected we will then reschedule your property for evaluation.
