(Print Full Name)

owner of the property, do hereby under penalties of perjury affirm that the proposed building construction will meet local and State on-site wastewater system setback requirements pursuant to N.C.G.S. § 130A-335. Additionally, the proposed construction shall not increase the design daily flow or wastewater strength of the existing system and thereby absolves the State, Inspection Department, and Local Health Department of any responsibility or liability regarding the existing wastewater system.

The property owner may, at his or her discretion, consult with an authorized on-site wastewater evaluator certified by the North Carolina On-Site Wastewater Contractors and Inspectors Certification Board or an inspector, as defined in N.C.G.S. § 90A-71(5), to locate the on-site wastewater existing system and verify setbacks requirements prior to executing this affidavit.

Property Owners Affidavit – Electrical

I hereby certify that all construction work described on the permit application shall be done by myself or by licensed contractors on my property. All work shall be done in accordance with the North Carolina Electrical Codes and shall not be enclosed, backfilled, insulated, drywalled or covered in any way until it has been inspected and approved by the electrical inspector. I understand it is my responsibility to arrange for the required inspections and I agree not to move anything into, or use the building for any purpose other than the applied and approved purpose.

FSO I understand that additional permits are required before starting any building, plumbing, heating, air conditioning work.

FSO I have read and understand all of the above and acknowledge that failure to comply with the above requirements will constitute just cause for revoking the electrical permit and/or legal action to be taken against me.
