**Re: Status of Permit Application-BRES2408-0003**

**To whom it may concern,**

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines, survey irons to be located and demonstrated. Property lines need to be marked/flagged every 50'. (\$25.00 Fee incurred)
- 2. House Box needs to be corrected and marked/demonstrated. (25.00 Fee Incurred)
- 3. Directions not clear to property (\$25.00 fee incurred)
- 4. Property needs undergrowth cleared, do not disturb the soil
- 5. Driveway not shown on site plan
- 6. Backhoe Pits Required-
- 7. **Other – Will need to clear entire lot, and figure new house location because of landscape positioning. Soils are suitable, but not enough room currently as the house sits for even a 2 bedroom system.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7525 ext. 2 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Mark Osborne R.E.H.S.  
Environmental Health Specialist
