RE: Existing Tank Application #BRES2409-0028

To whom it may concern

An attempt was made to evaluate the above property for issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

1. Uncover outlet lid on septic tank fully and break seal. (\$25.00 fee incurred).

2. Have system pumped out

3. Need site plan

4. Other – House box needs to be marked/demonstrated in the same footprint as the original.

Your application will be put on hold until the selected items above have been addressed. When completed **call 893-7525 to confirm** that the items mentioned have been corrected we will then reschedule your property for evaluation.
