Date

Affidavit for Worker's Compensation N.C.G.S. 87-14

The undersigned applicant being the:

_____ General Contractor _____ Owner _____ Officer/Agent of the Contractor or Owner

Do hereby confirm under penalties of perjury that the person(s), firm(s) or corporation(s) performing the work set forth in the permit:

_____ Has three (3) or more employees and has obtained workers' compensation insurance to cover them.

_____ Has one (1) or more subcontractors(s) and has obtained workers' compensation insurance to cover them.

_____ Has one (1) or more subcontractors(s) who has their own policy of workers' compensation insurance covering themselves.

☒ Has no more than two (2) employees and no subcontractors.

While working on the project for which this permit is sought it is understood that the Central Permitting Department issuing the permit may require certificates of coverage of worker's compensation insurance prior to issuance of the permit and at any time during the permitted work from any person, firm or corporation carrying out the work.

Five Star Metal Buildings, LLC reserves the right to correct any errors. The customer agrees to Allow Five Star Metal Buildings, LLC to repossess any buildings that are not paid in full upon installation. Five Star Metal Buildings, LLC will call customer 2-3 days ahead of the installation, Delivery dates may be rescheduled due to bad weather conditions, installers running behind, accidents, holidays, etc. Lot MUST be no more than 3" off level, if ground is not level you must have leveling blocks for installers to use, installation on blocks will void all warranties. Customer is responsible for pulling permits. Customer may incur extra labor fees if additional labor is required to install unit because of un-level surfaces, building over obstacles, carrying material more than 100 feet, cutting post to level, etc. There is a 6" overhang on front and back, customer understands that all building frames are 1' shorter than roof Length. Customer MUST provide a forklift at the installation site for structures over 12' tall or 30' in width and for handling roll-up doors 12x12 for larger. Customer MUST mark cable or electrical lines before installation, Five Star Metal Buildings, LLC will not be responsible for any damages. *DOWN PAYMENT IS NON-REFUNDABLE*
