### FINAL SUMMARY - STRUCTURAL OBSERVATION & INSPECTION

We have reviewed all field data provided by Tarheel Basement Systems and visually observed the installed products noted in the following section for the above referenced project. The requirement for additional inspections required by other code sections is not included in or waived by this structural observation. We confirm the items listed below were found to be in general conformance with the approved plans and specifications.

#### Intellijack Installation

The following items were confirmed:

- Placement of the jacks
- Installation of post, top plate, and base plate
- Footing size

Please give our office a call if you have any questions or need further assistance.
