RE: Existing Tank Application #BRES2506-0059

Mr. Temple:

An attempt was made to evaluate your property for the purpose of issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

☒ 1. Uncover Outlet lid on septic tank and break seal. (\$25.00 fee incurred).

☐ 2. Have system pumped out

☐ 3. Replace Sanitary T

☐ 4. Other – **-Property survey corner irons must be uncovered/demonstrated**

-Property Lines must be marked/flagged every 50' between survey corner irons.

- Have Septic Contractor locate and demonstrate septic drain field lines (will need to know how much total footage is there to see if a bedroom expansion is possible).

Your application will be put on hold until the selected items above have been addressed.

When completed **call 893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
