RE: Existing Tank Application #BRES2508-0018

To whom it may concern

An attempt was made to evaluate the above property for issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

___ 1. Uncover outlet lid on septic tank fully and break seal with a handle for access. (\$25.00 fee incurred).

___ 2. Have system pumped out

___ 3. Replace Sanitary T

X 4. Other – Property survey irons must be uncovered/demonstrated. Property lines must be marked/flagged every 50' between property survey irons. Have a septic contractor to locate and mark/demonstrate drain field. Will need the total length of each septic line and location of lines. Applicant is applying for a three bedroom, this will require an expansion. Little available space remaining on lot for septic.

Your application will be put on hold until the selected items above have been addressed. When completed **call 893-7525 to confirm** that the items mentioned have been corrected we will then reschedule your property for evaluation.

Sincerely,

Reynold Levocz, R.E.H.S.
