**Re: Status of Permit Application-BRES2508-0045**

**Mr. Harmon,**

An attempt was made to evaluate your property for issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

**X 1. Use pink flags to mark front and back survey corner irons. Property lines must be clearly flagged/marked every 50' between irons. (25.00 Fee Incurred)**

   2. House Box needs to be marked/demonstrated clearly. (25.00 Fee Incurred)

   3. Directions not clear to property (\$25.00 fee incurred)

   4. Needs more clearing. Do not disturb the soil.

   5. Driveway not shown on site plan

   6. Backhoe Pits Required

**X 7. Other- Have septic contractor to locate the existing house's septic system and flag/demonstrate the entire system on the property. Will need adequate clearing or access to check soil through thick brushes behind desired single wide placement. (Recommended to Bush Hog paths).**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7525 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
