owner of the property, do hereby, under penalties of perjury, affirm that the proposed building construction will meet local and State on-site wastewater system setback requirements pursuant to N.C.G.S. § 130A-325. Additionally, the proposed construction shall not increase the design daily flow or wastewater strength of the existing system and thereby absolves the State, Inspection Department, and Local Health Department of any responsibility or liability regarding the existing wastewater system.

The property owner shall, at his or her discretion, consult with an authorized on-site wastewater evaluator certified by the North Carolina On-Site Wastewater Contractors and Inspectors Certification Board or an Inspector, as defined in N.C.G.S. § 90A-711.51, to locate the on-site wastewater existing system and verify setbacks requirements prior to executing this affidavit.
