Application Number 13-50031148

Mr. Winters,

Thank you for submitting the plans for the pet kennel. The plans have been carefully reviewed by a qualified code enforcement official to examine for compliance with the North Carolina Fire Prevention Code and all other fire protection regulatory documents. There are some items that were found during the plan review process that need to be addressed before a final inspection of the new facility can be given. These items are outlined and described below.

• **906.1 Fire Extinguishers**

- Fire extinguishers shall be placed in approved locations as drawn by the code enforcement official on the approved plans..
- The fire extinguishers provided shall have a minimum rating of 2A 10B: C and shall not be installed higher than 5 feet above the finished floor.

• **506.1 Knox Box**

- A secure key box shall be installed on the new building that houses all keys to all the doors within the building in which the fire department would need access to in the event of an emergency.
- Knox Box ID stickers shall be placed on all exterior doors in which entry to the building may be gained.
- The box shall be mounted not to exceed 48 – 60 inches in height.

The Harnett County Fire Marshal's Division is committed to providing our community with a professional fire and life safety program through comprehensive fire protection plan reviews, informative occupancy inspections, effective fire and life safety code enforcement, and definitive fire origin and cause investigations in order to reduce the loss of life and property of the citizens of Harnett County. We will strive to maintain an unmatched level of professionalism and support to our community.

- **505.1 Physical Address**

- The physical address of the building shall be posted in a conspicuous place so that it can be seen on approach from the road, access road, and/or parking lot.
- The numbers used to make up the physical address shall be at least 5 inches in height.
- The physical address needs to be posted on the rear of the building also.

Thank you again for submitting the plans for the pet kennel. Please review the plans and adhere to any notes and alterations that were made in addition to the original drawings. These remarks are for the plans that were submitted and its original intent. These remarks do not apply if the original intent changes or what was submitted on the above date changes. If you have any questions, please do not hesitate to call this office

Again, thank you and we look forward to working with you during the construction period!

Sincerely,

Michael L. Martin
Chief Deputy Fire Marshal
