**RE: Harnett County Land Use Application 02-5-3867**

Dear Ms. Johnson,

On April 11, 2002, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other *Due to this lot being so long and narrow I will need to have all corner irons and lines accurately marked/staked by a surveyor. Also, I need to know the number of bedrooms proposed.*

When you have completed #1 and #6 call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R.S.
