Re: Status of Improvement Permit Application #07-5-17730R

Dear Mr. and Mrs. Quezada,

On July 2, 2007, an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

1. Property lines/corners not marked or labeled (see below)
2. House corners not marked or labeled
3. Directions not clear to property
4. Property needs brush or vegetation removed
5. Backhoe pits required
6. Other

Please mark all property lines and locate all corner irons. I have done some work in the rear of property but need lines and irons marked so I can finish.

Your application will be put on hold until the selected items above have been addressed. When completed please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R.S.
