RE: Existing Septic System Inspection HTE# 17-5-41737
(Old Reference to 12-5-28321)

Dear Mr. Watkins,

An attempt was made to evaluate your property for the purpose of issuing an Existing Tank Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Uncover outlet lid on septic tank and break seal (*\$25.00 fee incurred*)
- 2. Have system pumped out
- 3. Replace sanitary T
- 4. **Other - Will need a soil report from a private consultant due to not enough available space. Please use correct map. Application lists lot two but site plan used was for lot 42. Please clarify and revise.**

Your application will be put on hold until the selected items above have been addressed. When completed **call 893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
